Dear William Smith,

Invitation to Public Exhibition

Glendye Wind Farm

Coriolis Energy on behalf of Glendye Wind Farm Ltd. would like to invite members of the Feughdee West Community Council to the second round of Public Exhibition's that we will be holding later this month for our proposed wind farm on the Fasque and Glen Dye Estate, approximately 5.5km from Fettercairn and 11.5k from Strachan.

Following comment obtained from the previous exhibitions, as well as feedback from our attendance at your previous meeting and indeed further environmental assessments been carried out, the Exhibitions will provide an opportunity to outline the revised proposals and importantly show how local and environmental feedback has helped shaped and inform the design and layout of the proposed wind farm.

As mentioned previously, we believe that proactive community consultation is an integral element of the planning process and it is essential that the local community and other stakeholders should be given the opportunity to feedback their views directly to our project team.

The second round of Public Exhibitions will therefore be held at the following times and location:

- **Tuesday 29th November 2016**
Strachan Village Hall - 3.00pm – 8:00pm (AB31 6NN)

- **Wednesday 30th November 2016**
Fettercairn Church Hall - 3.00pm – 8:00pm (AB30 1UE)

Members of the community council will once again have an opportunity to complete comment cards on the day or take away and return them by 23rd December.

We hope members of the Community Council will be able to attend the Public Exhibitions.

In the meantime if you would like any additional information please visit www.glendyewindfarm.co.uk, or if you have any questions please do not hesitate to contact Steven Park at steven@libertyoncomms.co.uk or on 01224 872254.

Yours sincerely,

James Baird
